

ADVANCING THE COMMON GOOD

Focusing on the Building Blocks of a Good Life **Income: Meeting Basic Needs; Building and Sustaining Self-Sufficiency**

FACT: *Community Action provides people and communities with solutions to a wide spectrum of poverty problems, offering about 40 different programs in Rock & Walworth Counties.*

Lori and her husband Frank are struggling. Lori has a permanent disability that prohibits her from lifting more than 10 pounds. Frank was laid off from his trucking job and has learned he will not be called back to work. They are temporarily staying with family.

During these difficult times, Community Action's AWARE program in Evansville has been a source of support for the couple. AWARE has provided them with food, clothing and more through their Christmas, Easter and Backpack programs.

How United Way of North Rock County Helps

United Way of North Rock County partners with Community Action to connect people with critical resources for emergency or basic needs.

Because of the AWARE program, this family has access to food, clothing and other essential items to meet their basic needs.
