

# 2009 DESIGNATION FORM

## United Way of North Rock County

### About designations:

- The minimum designation is \$50 per recipient organization.
- Designations may be directed to United Way of North Rock County partner agencies and/or other United Ways.
- Designations are subject to a three-year averaged processing cost, which also accounts for unfulfilled pledges. The rate approved by the United Way Board of Directors for the 2009 campaign is 17.3%.
- If United Way is unable to process your designation request, you will be contacted. If you cannot be reached after three attempts, your gift will be directed to United Way's volunteer review and investment process.
- For proper record-keeping, a designation form must be submitted each year.
