The Home Construction Program provides affordable homes for low-income applicants. Construction is a partnership with volunteer labor and qualified applicants. Janesville School District building trades and Beloit College students assist. Homes are transferred to owners via a no-interest mortgage. In addition, applicants receive assistance and support in budgeting, taxes, planning, home maintenance and employment counseling.

Volunteers build and remodel homes with the help of future homeowners (selected low-income families). In addition, the program provides instruction in the building trades supervised by the Janesville Public School District. Habitat seeks qualified, low-income applicants for Habitat homes, assistance and support to Habitat homeowners in the areas of budgeting, taxes, planning, home maintenance and employment counseling.
